

MUS 471 Literature Review

Spring 2022

Due date: Friday, January 7.

One page writeup, with references: Literature Review of some things that you think are relevant to your project, that you might have been reading already, or stretch goals to implement, or just stuff that you admire and would consider the way to do some aspect of your project if you had the time. This is free-form, no pressure, but necessary for grading requirements.
